

Pattern Clinic and NSRCA Judging Seminar

March 14th 2009

Sponsored by LCAA, NVRC and  **Delro** Modelltechnik USA

Presented by Don Szczur and Chris Moon

In addition to the judging seminar:
Don will present on pattern aircraft setup
Chris will present on advanced radio mixing techniques

Special guest – Dave Lockhart
Dave will give a presentation on new trends and products in large electrics for F3A pattern

Pattern flying clinic and NSRCA Judging seminar will be held at the Banshee Reeks Park learning annex adjacent to the LCAA flying field in Leesburg, VA. Activities begin at 10:00 with the pattern flying clinic and judging certification training. If you wish to become an NSRCA certified judge, you can purchase the materials and test (\$10) on site and be certified before you leave for the day. Otherwise, the event is FREE for all. After the clinic and judging seminar, we will move to the LCAA flying field for demos of the pattern sequences and opportunities for all to fly and be coached. This is a great opportunity to learn what pattern flying is all about and improve your flying skills.

*****FREE lunch for all attendees is included*****

The LCAA field is located at Banshee Reeks Park -
21085 The Woods Road, Leesburg, VA 20175-6553.
