From Hwy 2 (Stevens Pass Hwy) take the 88<sup>th</sup> Street SE exit towards Snohomish, 88<sup>th</sup> becomes 92<sup>nd</sup> St SE then becomes 2nd St. (Just don't make any radical turns and you will be fine!) Turn left onto Lincoln and go 2.25 miles to the field road on the left. You will go past some soccer fields on the left, under an old Railroad bridge, where it becomes Old Snohomish Monroe Road. Just after going over a low wooden bridge marked French Creek Slough turn left onto the road which goes North out and under the Rail Road tracks to the flying site.

Set your GPS for 11890 Old Snohomish-Monroe Road, Snohomish, WA. 98290 and look for the entry to the field which will be marked **"CAN - AM" this way!**
