

2017 NATS

Dear Pilots,

We have made a lot of headway. It is all going well. There are a few things we are doing a little differently so I will explain them here.

In memory... we are going to dedicate an area for those that have had some impact, influence or effect on our sport/hobby. It can be a great competitor, a designer, a casual flyer, a worker, caller, etc. It would be someone you personally would like to reflect on, to remember, to honor.... It can be from years past or recently. Ron Van Putte is going to chair this happening. We would like to have photos, some history, and even artifacts(trophies, articles, even planes). You can send the portraits and paperwork to Ron, but artifacts you will have to bring yourselves or have a friend do so.

Ron Van Putte
111 Sleepy Oaks Rd
Fort Walton Beach, FL. 32548

Email: vanputte@cox.net

On another note, as far as RV's, we are working on electrical hookups on site. I will let you know as soon as I find out the specifics. I am sure we will need a specific number to know how many to do this so please make me aware ASAP. There will be a fee for this (just to cover our cost). There is no dump station at the site but I will get an address for you as we go along.

I am in need of volunteer workers. Some of the spots will receive a stipend, others will be voluntary.

I need 2 site directors, 3 line chiefs, 2-4 weight and measure , and 3 sound. 2-3 scoring assistants - we will be using the electronic scoring.

Please contact me regarding this.

Mike Harrison
